Jacob Kyule MSC

Senior Software Engineer at First Advantage Consulting Ltd
Nairobi County, Kenya

Summary

My name is Jacob Kyule, a Senior Software Engineer with a unique blend of technical expertise and a foundation in social science. Based in the vibrant tech hub of Nairobi, Kenya, I bring a diverse perspective to the world of software development. With Masters degree in Computer Systems and a Bachelor's degree in Sociology, I have a deep appreciation for understanding human behavior and society's intricacies. This background complements my technical skills, allowing me to create user-centric digital experiences that resonate with people on a profound level. Armed with hands-on experience in web and mobile development, I've embarked on a journey of creativity and innovation, weaving digital magic through code. My growing portfolio boasts over 10 captivating projects, each a testament to my dedication to crafting seamless digital experiences and also they are my achievements. The link to my portfolio is at the top of this page. # My toolkit includes a robust set of skills: Front-End Development - Next.js | React | Redux | Bootstrap | Tailwind css | Laravel Filament Back-End Development - Node.js | CakePHP | Laravel Mobile Development- React Native & Expo | Kotlin Relational Databases(SQL) - PostgreSQL | SQL-Server | MySQL No-SQL - MongoDB Tools - Git & GitHub | Postman(API's) | Bash | ZSH Infrastructure(DevOps) - Linux Virtual Machines | Microsoft Azure As I continue to evolve and explore new horizons in the ever-evolving world of tech, I'm excited to connect with fellow professionals, collaborate on exciting projects, and contribute to the digital landscape in meaningful ways. Let's connect and embark on this exciting journey together!
